COME TRUE

The Halloween Carnival, which originated in the fall of 1929, was held at the City Hall for many years. The Middle School was the scene for the gala event for several years also. For the past few years, the bus barn has been cleared out and booths have been set up there for the various money-making projects. The highlight of the carnival this year, as always, was the coronation of the Halloween Queen and her court. The 1981 queen was JANA E SCHAFER escorted by Dean Thompson, Members of the court were senior princess Marcee Cole, escorted by Jay Kirkhart; junior princess Tammy Schaef, escorted by Guy Morrow; sophomore princess Ticia Wagner, escorted by Scott Spoon; and freshman princess, Lesha Symons, escorted by Joe Barnett.

FRESHMAN

MR. AND MISS CHS 1982

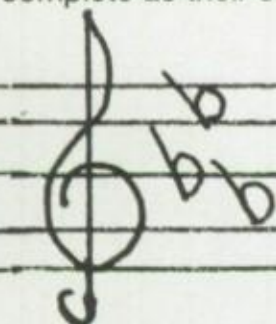

One of the highest honors bestowed upon a student at Canadian High School is the title of Mr or Miss CHS. After senior students were nominated by the faculty, the entire student body voted for the one boy and one girl who best exemplified character, citizenship, service, leadership and scholarship. Those nominated were GREG POLLARD, INK SCHAFER, LEE YOUNG, MARCEE COLE, KAYLA McENTIRE and SHERRIE SANSING.

LEE YOUNG, who transferred from Wheeler at mid-term of his sophomore year, amassed many honors to his credit. His junior year Lee was vice president of his class and a member of National Honor Society. His senior year Lee served as reporter of his class and president of NHS. Excelling in varsity sports, Lee was chosen as honorable mention all-district quarterback and for the all-district basketball team. Lee was elected Basketball King by the girls' varsity basketball team his senior year and Valentine King by the Student Council and FTA his senior year.

SHERRIE SANSING contributed many services to CHS and received numerous honors as a result. As a four year member of the band, Sherrie earned all-region status her freshman and sophomore years, was chosen outstanding marcher her junior year, and qualified for state competition in flute trio her junior and senior years. She served on Student Council for four years and served as vice president of National Honor Society during her fourth year as a member of that organization. Also an athlete, Sherrie excelled in track and basketball for four years. She was chosen for the all-district basketball team her sophomore, junior and senior years. Her senior year she was chosen Basketball Queen by the boys' varsity basketball team. Sherrie was elected cheerleader her sophomore, junior and senior years and served as head cheerleader the last two years. She was a member of choir as a senior serving as vice president of that group. Sherrie received C awards as high point girl as a freshman, sophomore and junior. Sherrie represented her class well as freshman homecoming princess, sophomore Halloween princess and senior Halloween queen candidate. She was selected by the FFA to serve and complete as their sweetheart her senior year.

AGGIE PRINCESS

MARCEE COLE

An Aggie Princess contest was held this year at Panhandle State University in Goodwell, Oklahoma. All towns in the Panhandle were invited to choose a senior miss from their town to represent them at the contest. The contestants were judged for talent, interview and evening gown competition. MARCEE COLE represented Canadian High School well in all three of these categories.

FFA SWEETHEART

When selecting a sweetheart, the Canadian FFA chapter nominates several girls and then votes for the one girl who best displays the qualities of poise, personality, beauty and speaking ability. The girl with the most votes represents the chapter at district contest. SHERRIE SANSING, the 1981-82 FFA Sweetheart, competed in Higgins, Texas along with 15 other girls. Sherrie finished among the top seven in the competition.

Jubilation for the Wildcat Band!

"Celebration" was the theme song for the Wildcat Band as they won Sweepstakes for the first time in eighteen years. To win Sweepstakes, the band had to receive "1" ratings at three contests, Marching contest, concert contest, and sightreading contest. The more serious awards followed the band officer awards. The president award, drum major awards, twirler awards, best marchers awards and the prestigious Sousa Award were presented by Mr. Pankratz and Mr. Sims.

CHOIR

The Choir of CHS performs for the school and for organizations such as the Kiwanis Club. The director of the Choir is Mr. David Sims.

MOCE-VICA

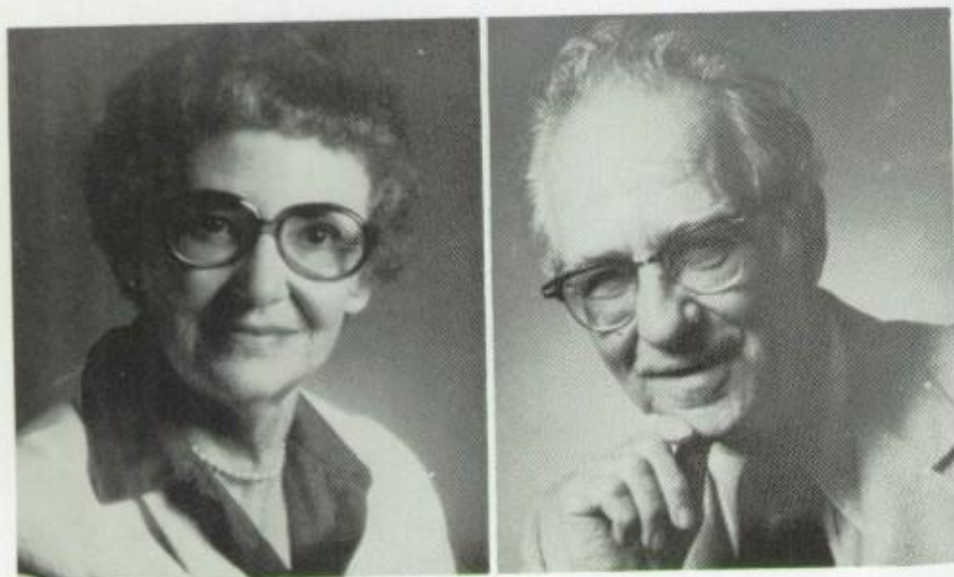

MOCE-VICA is a work program set up by the school for students who want to work after school hours. In order to be in the program, it is required that the student be a Junior or Senior. The program is taught by Mr. Arthur Davis.

ANNUAL STAFF

The 1981-82 Annual Staff, under the direction of Mrs. Lin Lovelace, met fourth and sixth periods. STEFANIE BARTLETT, MIKE COOK, MELISSA GARNER, AMY HOBODY, and DEB KENDALL worked fourth period. NENA BARBER, LAURIE BOYETT, PHYLLIS HARVEY, RUTH ANN HICKMAN, SHEILA HUNT, IMA MUNSON, MICHELLE VOORHEES, and JOHN WALSER worked sixth period. During the first six weeks staffers were taught darkroom procedures (mixing chemicals, developing film, and printing pictures) existing light photography, layout techniques, and salesmanship (selling ads and football programs.) After the technical steps were "under control", the creative wheels went into motion. Staffers were assigned sections and responsibilities and chose the theme. The hard work actually began when the staff started the plans and drawings for your 82 BEARGRASS.

For years Nan and Ben Ezzell have assisted the annual staff tirelessly by sharing pictures making special prints, and covering events with little acknowledgement for a job well done. This year we recognize the Ezzells as honorary members of the Annual Staff.

The Annual Staff chose MUSIC MAKES MEMORIES as our theme this year because everyone is affected by music. From days of babyhood lullabies, to grade school jump-rope chants, to middle school favorite records, to high school blaring tapes, music is a vital part of our lives. Although we tried to include everyone and every group, we know we missed some of you; but we attempted to take representative photos to preserve for you the essence of your 81-82 school year.

Being members of the Annual Staff required concentration, and a lot of hard work. Sometimes we laughed, as we climbed into Dempsty Dumpster to recover tossed-out pictures; sometimes we yelled, when we had 1000 confetti eggs to blow and fill; and sometimes we cried, when we let each other down or made "dumb" mistakes. In spite of it all, we enjoyed making these memories for you. We hope you enjoy them, too!

CAT'S TALE

Responsible for the printed news for Canadian High School are the Cat's Tale Staff and their sponsor, Mrs. Marcum. During the first semester of the class, they printed a paper every two weeks. Publication during the second semester was less frequent while emphasis was placed on practicing for UIL events.

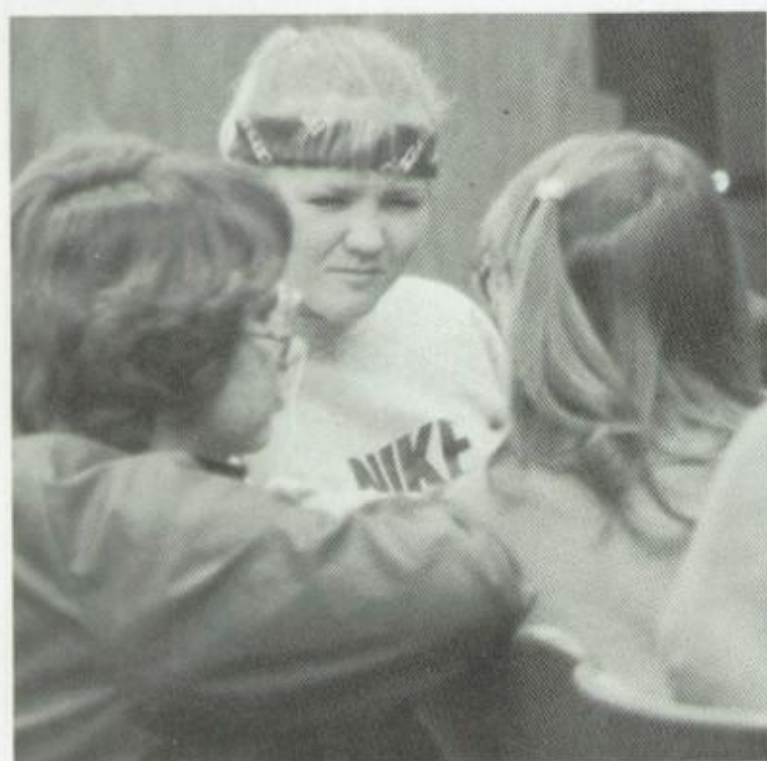

Students anxiously awaited each issue of the newspaper because of the hard work of the staff under the direction of editor, Karri Burnett, and especially the true-to-life caricatures of Ruben Fernandez.

The Gifted/Talented program, added to our school this year, is aimed at students from all three schools who work on a higher level. Meeting once a week on separate days, Mrs. Guffey strives to interest the students in new subjects. As part of a state-wide program, the high school students plan and attend seminars once a month. Other meetings are involved with the computer, foreign languages, photography, — almost anything. Occasionally, Mrs. Guffey runs into something she can't teach; however she always finds someone who can!

They shelve books; file cards in the card catalog; mend books; take inventory; type fine lists, signature cards, book pockets. They also run and clean all the equipment. THE ONE ACT PLAY CAST won the District title with the play "Rest In Peace" for the first time in more than a decade. To help develop characterization, the entire cast wore their costumes after the One-Act play was presented for the school during the school day. They captured the District title at Clarendon with Randy Donaldson and Courtney Krehbiel named to the All-Star Cast and Stefanie Bartlett receiving honorable mention.

GOAL POST DECORATORS

The goal post decorators have certainly decorated the school's life this year. Goal post decorators make the signs seen in the halls and gym, make locker tags for the football players, and are "on call" to help the cheerleaders in any way. The decorators were Amy Hobdy, Teri Boone, Julie Pollard, and Delisa Dyess.

PEP RALLIES

Pep rallies are activities in which everyone can participate. The teachers, parents, and students are invited to perform skits. The band plays peppy songs. The cheerleaders encourage people to yell while people from the community and faculty bolster the spirits with pep talks over the spirit jug. Whether one is a football player or just sitting in the stands, everyone can be involved in pep rallies.

BACK IN BLACK

The 1981-82 varsity boys finished the football season off with a five win record. The fighting Wildcats placed third in District playoff. Helping to boost the spirit, there was a new fad in Canadian: "BACK IN BLACK" bumperstickers. These stickers were thought up by Coach Newcomb and sponsored by the First State Bank. To add to the spirit the boys also received new workout clothes which had "BLACK MAGIC" printed on them. Needless to say ... they looked GREAT!!
